Thanks for the update.

Chris is in Boston at a conference through tomorrow. I think she has arranged a time next week for she and Eric to get together to ensure connection to the DPH servers.

We are almost there.

Thanks for all your help!

Hi Patti,

UMass is connecting phone and data lines in N449. They should be done today, but most likely tomorrow. You will need to have Eric Byrne connect data lines to DPH server.
